

Contractors Association of Truckee Tahoe

Looking for a bid on your next project? CATT can help!

Regardless of the type of job, your request is sent to everyone on the Job to Bid list. The Job to Bid list is not the entire CATT member list. The members on the Job to Bid list will contact you directly by your preferred method of contact (email, fax, or phone).

You should expect that CATT Members will contact you within two weeks. At the busiest times of the year (April – October) response times may be longer. You might consider using the CATT website or printed Building & Remodeling Guide to find an expert to work on your project and contact him or her directly.

Any questions, please contact the CATT Office Manager Valerie Vilbig at 530-550-9999 or email to info@ca-tt.com.
