

Glenshire Lake Projects

Your Lake ... Your Trail

Dear Glenshire Devonshire Community,

The Glenshire Lake has been a centerpiece of the Community for many years. Residents joined together to create a trail around the Lake over 20 years ago.

Since then, the generosity of local residents has funded and built over 1,400 feet of gravel trail and 1,000 feet of boardwalk.

Local Eagle Scouts, Truckee Trails, Truckee River Watershed projects and Volunteers have all helped with the Lake and Trail work.

Still there is much more to do. We need to complete more boardwalks and improve Lake Health. This is only possible with your support!

What can you do?

- Contact the Glenshire Devonshire Association or come to a Board meeting to let them know you want to join the Committee or Volunteer for Lake and Trail and projects.
- Give a tax deductible contribution to the Glenshire Devonshire Lake and Trail Project Fund.

Donate through [Tahoe Truckee Community Foundation](#). Or send check made payable to TTCF to POB 366, Truckee, CA 96160. All donations will be administered through the Tahoe Truckee Community Foundation, a 501 C (3) public foundation. All donations are tax deductible to the fullest extent of the law. Tax ID #68-0416404.

Thanks for being a part of our Community!
