INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors
Glenshire/Devonshire Residents Association, Inc.

We have reviewed the accompanying balance sheet of Glenshire/Devonshire Residents Association, Inc. as of December 31, 2014 and the related statements of operating revenue, expenses and changes in fund balance, replacement revenue, expenses and changes in fund balance and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Association's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements and supplementary information in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the Required Supplementary Information on Future Major Repairs and Replacements on page 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. The required supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the required supplementary information and, accordingly, we do not express an opinion or provide any assurance on such required supplementary information.

Information for the year ended December 31, 2013 is presented for comparative purposes only and was extracted from the financial statements for that year, on which our accountants' review report was dated March 12, 2014.

GLENSHIRE/DEVONSHIRE RESIDENTS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

(See Independent Accountants' Review Report)

1. Form and Nature of Organization

Glenshire/Devonshire Residents Association, Inc. is a non-stock, non-profit corporation organized in February 1969 under the laws of the State of California. The Association is a homeowners association supported by annual assessments of the 1,357 lots within the Glenshire/Devonshire subdivisions in Truckee, California. The Association was organized to provide the management services and maintenance of certain common use areas within the subdivision. The Association derives a significant portion of its revenue from dues assessments that are levied annually against each lot within the development.

2. Summary of Significant Accounting Policies

A. The Association's governing documents provide certain guidelines for controlling its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts on the fund accounting basis. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating Fund - Used to account for financial resources available for the general operations of the Association.

Replacement Fund - Used to account for financial resources designated for future major repairs and replacements.

B. Real property and other common property acquired from the developer and related improvements to such property are not reflected on the Association's financial statements. This property includes tennis courts, swimming pool, clubhouse and approximately 200 acres of common land. The Association capitalizes personal property at cost and depreciates it using the straight-line method over its estimated useful life of 3 to 15 years.

C. Deferred income represents dues billed in the current period applicable to the following period.

D. Association members are subject to annual dues to provide funds for the Association's operating expenses and major repairs and replacements. Dues receivable at the balance sheet date represents fees due from property owners. The Association's policy includes, among other things, assessing a late charge on delinquent payments and placing liens on the property of homeowners whose assessments are delinquent, with the right to proceed with non-judicial foreclosure proceedings if necessary. An allowance for doubtful accounts is created when an account's collectability is uncertain. Accounts are written off when the Association

GLENSHIRE/DEVONSHIRE RESIDENTS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

(See Independent Accountants' Review Report)

is notified that it is a bad debt, such as after a bankruptcy or foreclosure proceedings. Fine income is recognized as revenue when collected due to the uncertainty surrounding the collection of those amounts.

- E. Interest earned on replacement fund investments is recorded as income in that fund. Any related income tax is recorded as an expense of the operating fund.
- F. The Association has elected to be taxed on net operating income as a regular corporation. However, certain elections are made to substantially reduce or eliminate income taxes on net member income. In general, dues allocated for future major repairs and replacements can be set-aside on a tax-free basis if applicable guidelines are followed. Additionally, all other amounts received by the Association, such as bank interest income, are taxed, net of related expenses, for federal and state purposes. The Association's three previous federal tax returns and four previous state tax returns are available for examination by the taxing authorities.
- G. For purposes of the Statements of Cash Flows, cash and cash equivalents are defined as all cash in checking and money market accounts and short-term (six months or less) or highly liquid certificates of deposit.
- H. The carrying amounts of financial instruments, including cash, certificates of deposit, accounts receivable and accounts payable approximate their fair value due to the short term maturities of these instruments.
- I. The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. Concentration of Credit Risk

The Association maintains demand and certificate of deposit accounts at various local banks. At December 31, 2014 and 2013, the aggregate balance of these accounts did not exceed the federally insured limits.

The Association invests a portion of its cash in a money market mutual fund that holds primarily commercial paper, certificates of deposit, and U.S. government backed securities. Money market mutual fund holdings are not federally insured.

Financial instruments that potentially subject the Association to credit risk consist principally of members' dues receivable. Dues receivable at December 31, 2014 and 2013

GLENSHIRE/DEVONSHIRE RESIDENTS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

(See Independent Accountants' Review Report)

were primarily from members who live in the Glenshire/Devonshire subdivision or whose primary residence is within the State of California.

4. Income Taxes

The provision (benefit) for income taxes is as follows:

	<u>2014</u>	<u>2013</u>
Federal	\$ (298)	\$ 281
State	<u>385</u>	<u>263</u>
	<u>\$ 87</u>	<u>\$ 544</u>

Certain projects undertaken in 2014 and previous years were eligible for a federal disabled access tax credit. The expenditures for these projects are subject to maximum annual limits. As of December 31, 2014 and 2013, approximately \$8,900 and \$4,500, respectively of cumulative unused tax credits are available for use in future years to offset federal tax expense, subject to expiration if not used within certain time frames.

5. Design Review Committee Deposits

Members are required to advance security deposits for construction and pay a fee to the Association to ensure that construction is completed in accordance with the guidelines established by the Association's Design Review Committee. The security deposits are refundable upon satisfactory completion of construction. In addition, the Association retains deposits for clubhouse rentals.

6. Future Major Repairs and Replacements of Common Area

The Association's CC&Rs provide for the Association to assess members for the acquisition, improvement and maintenance of common properties, primarily the clubhouse, tennis courts, swimming pool and surrounding parking area.

The amount of dues allocated to the replacement fund is based on a reserve study prepared by management and approved by the Board of Directors. The Association's policy is to fund for replacements over the estimated lives of the respective assets. Actual replacement costs and timing may vary from these estimates and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet future needs. If additional funds are needed, the Association has the right, subject

GLENSHIRE/DEVONSHIRE RESIDENTS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

(See Independent Accountants' Review Report)

to any necessary member approval, to increase regular dues or levy special assessments. It may also delay major repairs and replacements until funds are available.

7. Interfund Activity

The Association maintains an operating fund and replacement fund. At various times during the year, there is a receivable/(payable) between the funds. At December 31, 2014 and 2013 the operating fund owed the replacement fund \$9,053 and \$49,861, respectively.

8. Storm Damage

During 2012, a severe storm inflicted significant damage to the Association's clubhouse ramp. As of December 31, 2012, the amount of damage incurred was estimated by management to be approximately \$110,000. The Association anticipated the insurance policy would cover all repair costs in excess of the policy's deductible. The clubhouse ramp repairs were completed during the year ended December 31, 2013. Total expenditures incurred were \$108,696. As of December 31, 2013, \$88,135 had been recovered by insurance. The Association did not recover any additional costs in 2014 and the remaining amount outstanding was written off as of December 31, 2014.

9. Subsequent Events

Subsequent events have been evaluated by management through February 16, 2015 the date that the statements were available for issuance.

REQUIRED SUPPLEMENTARY INFORMATION ON FUTURE MAJOR
 REPAIRS AND REPLACEMENTS
 December 31, 2014
 (Unaudited)

(See Independent Accountants' Review Report)

The Association's management updated a study in 2014 to estimate the remaining useful lives, the lives after replacement and the replacement costs of the components of common property. The estimates were based on management's and contractors' estimates and historical costs. Estimated current replacement costs do not take into account the effects of inflation between the date of the study and the date that the components will require repair or replacement.

The Association does not designate the balance in the replacement fund by component. The total funds available for major repairs and replacements were \$495,692 at December 31, 2014. The 2015 budget includes \$90,000 of dues to be allocated to the replacement fund.

The following table is based on the study and presents significant information about the components of common property.

Component	Remaining Life (Years)	Life After Replacement (Years)	Current Replacement Cost
Clubhouse	0-34	10-75	\$ 1,774,395
Grounds	0-20	10-45	433,547
Main pool	0-3	6-24	277,590
Office	3-5	5-8	13,184
Wading pool	0-4	8-22	50,467
			<u>\$ 2,549,183</u>
