- Bob from Cambridge still deciding which sub-committee to join. Jane Sheppard from Elkhorn not present – still hasn't joined a sub-committee

**Firewise Costs/Re-Certification**

- Lori confirmed costs for each association for 2020 banner campaign and will prepare invoice with backup and email in January
- Lori confirmed submission of application on behalf of all associations and Firewise Re-certification has been obtained. Copy and link will be sent soon.

**Sub-Committee Updates/Goals**

- Outreach Committee:

Adrian was able to attend the Wildfire Home Retrofit Workshop and provided good information re: the importance of house hardening, especially no solid wood fencing or decking within 5 feet of structure, and vent screening.

The group had lengthy discussion and decided we need to do some good outreach with photos. Lori mentioned we need another committee member to help with outreach, or pay someone.

Increased Defensible Space Committee:

Lori updated that she will be speaking with Bill Steward regarding update on DSA volunteer training.

**Adjournment:** 7:00 pm, No future meeting scheduled.
