Home Hardening/Retrofitting Webinar Workshop

- Bill and I discussed prior to meeting how collaboration with other Firewise Communities and the Town would be good for all, and the Town being involved in this webinar would get them more engaged with the FireWise Communities and Home Hardening concept. This would also help get fire ecology info to the Town, per Adrian comment from last committee meeting.
- Adrian said he's currently in contact with Town staff on another matter and will reach out to them.
- The group decided to try find assistance in creating a webinar to hold in June.
- **Adjournment:** 7:00 pm, Next meeting 4/29/2021.
