

**GLENSHIRE/DEVONSHIRE RESIDENTS' ASSOCIATION**  
**Defensible Space Policy**

**Defensible Space Enforcement Policy**

Most people are concerned with the safety and wellbeing of their family, property and themselves. One of the easiest ways to do so is through Defensible Space management. GDRA lies in a high Wildland Urban Interface (WUI) zone. This means that a wildland fire will occur here in the future; when and how damaging are factors you can control.

Defensible space inspections will occur upon notice of property transfer/point of sale, complaints, foreclosures and during periodic inspections pursuant to GDRA's defensible space program.

1. All dry grasses and weeds shall be cut to 4" or less within 100' of any structure by July 1st, and shall be maintained to this condition through the end of fire season, unless a notice stating otherwise has been issued. This includes empty lots. Structures include but are not limited to: fences, sheds, outbuildings and main structure.
2. Piles of brush, branches, dry grasses and weeds or other flammable materials will be subject to fines after July 1st, unless a notice stating otherwise has been issued.
3. Overgrown and fuel ladder conditions shall be thinned as noted in CA Fire defensible space guides.
4. Any violation of CA Fire, Truckee Fire or other government agency, as they pertain to Defensible Space, may / will be cited as a defensible space violation. [readyforwildfire.org](http://readyforwildfire.org)
5. Any person(s) with property bordering GDRA common space has permission to cut all annual weeds / grasses within 100' of any structure on their property. This does not include trees, brush or woody plants. Please contact GDRA offices if you would like to volunteer to help implement a more extensive defensible space clearing plan on GDRA property.
6. Staff will begin inspections in mid to late May and fines may start as early as July 1st, unless stated otherwise in any notice delivered to any property owner in GDRA.
7. Those who do not comply within 30 to 45 days (based on level of work needed) may receive a notice of immediate fines that may / will increase weekly for each week the property is not in compliance. Fines may start at \$100+ per item.
8. Any lot that requires a re-inspection after July 1st may also incur a \$50 re-inspection fee.
9. All members are required to reduce fuel loading on their properties or empty lots, which may include needed mastication, fallen tree removal and other brush removal as determined by HOA staff.
