

Governing Documents Election November 20, 2024 Results

Dear Members,

On November 20, 2024 the Governing Documents Election was held.

After a year and a half of outreach was conducted, including in-person member events, dedicated information sessions, door-to-door reminders, personal phone calls, cash prize incentives, and multiple ballot mailings, the proposed restated Governing Documents **were not approved** by a majority as required by law to pass. (At least **679** yes votes from members were needed.)

Of the 817 ballots received:

- 31 were invalidated by the Inspector
- 632 votes were received approving Third Restated CC&Rs and Restated Bylaws
- 154 votes were received NOT approving Third Restated CC&Rs and Restated Bylaws

Because the 632 yes votes did not meet the minimum 679 for a member quorum, the documents did not pass, and the HOA will continue to be governed by the existing [CC&Rs](#) and [Bylaws](#).

More in depth information to follow in our next bulletin and Shire magazine, so stay tuned.

Big Thank You to all who participated in the workshops, spent time with membership outreach and ultimately voted!

If you have questions or concerns regarding the results of this election, please contact Lori Kelley at (530) 587-6202 or lori@glenshiredevonshire.com. You can also access the [full report from the Elections Inspector here](#).

Please note: The gift card drawing was held and all 20 winners are being notified.

Sincerely,
Your Board of Directors
