

December 31, 2024

To whom it may concern,

In October 2018, Glenshire Devonshire Residents Association (GDRA) completed the required criteria and is now **nationally recognized as a Firewise Community by Firewise USA®**.

As of January 1, 2025, all of the following Truckee communities are officially included in the **Greater Glenshire Firewise Community** national recognition. Click [here](#) to view The Greater Glenshire Firewise Community Map.

Glenshire Devonshire Residents' Association

Buckhorn Ridge Association

Cambridge Estates Association

Elkhorn Ridge Association

Kent Drive Association

SF Fly Casters Club

Sierra Bluffs Association

The Meadow Association

Part of being a recognized Firewise USA® site is reporting the ongoing work residents complete each year to reduce their wildfire risks, while addressing the areas identified in their community's wildfire assessment. Every year participating sites must submit an annual renewal to maintain their "In Good Standing" status. Please help us maintain our Firewise Community Designation by logging hours at glenshiredevonshire.org.

The above communities are dedicated to maintaining the health of the forest within the associations' common space acreage while minimizing the threat of forest fires. Truckee Fire, Cal Fire and a local certified Forester has assessed and will continue to assess and help manage the fuel reduction and forest health of these parcels. To help offset costs, Truckee Fire and Cal Fire have helped secure over \$100,000 in grants to help fund such projects.

We continue to work with Truckee Fire, Cal Fire, Truckee Police Department as well as other entities to provide fire safety educational outreach. And, upon request, Truckee Fire performs onsite defensible space inspections to help homeowners achieve and maintain a fire safe condition around their homes.

Glenshire Devonshire Residents Association is very proud of obtaining this national Firewise designation and look forward to working together with our Community toward maintain this status and increasing fire safety.

Sincerely,

Lori Kelley

Glenshire Devonshire Residents' Association
