

The Glenshire/Devonshire Residents' Association, Inc.
Amendments of Facilities Policy
(Notice Posted November 21, 2025)

The purpose of this written notice is to inform you that the Board of Directors is considering the adoption of amendment of one (1) GDRA policy listed below.

The Glenshire/Devonshire Residents' Association Facilities Policy

1. **Text of the Proposed Rule (Policy)**: A copy of the proposed amended Facilities Policy is attached.
2. **Purpose and Effect of the Changes**: The Association has performed an analysis of how this policy can better serve the Members and simplify pool operations, while further reducing the risk of jeopardizing the Association insurance coverage, which largely informed the adjustments to this policy. The proposed changes are also intended to reduce violations through the deterrence of non-member access, to allow some open pool hours when lifeguards are not available, and to offset amenity operation costs more through amenity user fees.

Proposed changes include but are not limited to: offering early bird amenity fee discounts, care-provider memberships, a second amenity fee for non-pool users to obtain an amenity membership at a lower cost for use of only the sports court and playground, and the implementation of an amenity access control system.

3. **Notice of Meeting of the Board of Directors to Consider Adoption of the (1) Amended Policy listed above**: The Board of Directors will hold a meeting to consider the adoption of the proposed amended Facilities Policy as indicated below. The Board of Directors intends to make its decision at this meeting following consideration of any member comments.
