2026 Design Review Committee Application Instructions

1. Complete and submit the application:

Note: *Submission deadline dates on DRC Meeting Chart (Attached).* Remember to include:

- Indicate the date of Design Review Committee (DRC) meeting that you prefer.
- Include color photos. (Photos can be submitted separately.)
- Include your property's survey information; to avoid property boundary litigation, owners are responsible for locating the survey markers of their lot.
- If you don't submit your application back to DRC within 3 months please request a new application.

2. Line out your project by the time you submit your application:

- Once you submit your application, a pre-inspection will be conducted on your property so we may have a clear visual of your project location. You are not required to be present at pre-inspection. During this pre-inspection, or any other inspections throughout the design review process, pictures may be taken.
- Your project must be lined out so your neighbors have 10 days to inspect your project location and plans.

3. Once we confirm your application is complete, we will:

- Email you a confirmation of acceptance.
- Invoice your account for the DRC Application. *You may pay by check (by dropping off in the mail box located to the left of the main entrance to the Clubhouse, not regular mail) or through your GDRA Owner Portal. Payment must be received no later than one week prior to your preferred meeting date for your project to be added to the agenda and reviewed by the committee.*
- Send a Notice of Intent to your neighbors adjacent and across from your property.

4. Join the meeting (you are welcome to join but not required to):

- DRC meetings are scheduled the 2nd and 4th Tuesday of each month Apr-Nov, and the 2nd Tuesday of each month Dec-Mar at 7:30 am (subject to change).
- Meetings are currently held virtually over Google Meet.
- If you wish to join the meeting virtually, please email us a request at least one day before the meeting to designreview@glenshiredevonshire.com.

5. Upon completion of your project:

- It is your obligation to contact the Association office for the final inspection, and provided there are no infractions, the deposit will be refunded.

If you have any questions, feel free to contact designreview@glenshiredevonshire.com or 530.587.6202. Thank you for requesting a Design Review application!
